

**Bluemont Civic Association, Executive Board Meeting
October 11, 2005, 7:00pm
Arlington Traditional School**

President Judah dal Cais called the meeting to order at approximately 7:05.

Schedule of Upcoming Meetings

Because of upcoming holidays, the Board decided that upcoming meetings would be held as follows: Executive Board on November 8; General Membership on November 16; Executive Board on December 13; General Membership on December 21.

Lot Coverage Proposal

Bob Atkins reported that the Civic Federation would write a letter opposing current lot coverage proposals being considered by the County Board. Among other problems, the current proposals do nothing about building height. Buildings in Bluemont that have received complaints include three new houses on Frederick and North 11th Road. The Board agreed that the newsletter should note the meeting where the County Board would consider the proposals, and refer people to the Civic Federation web site for details.

Halloween Parade

Laura Kirkconnell reported on preparations for the October 30 Halloween parade. She noted that volunteers were needed, especially if there was to be a parade next year.

950 Glebe Road

President dal Cais said he would write a letter opposing the proposal for 950 Glebe Road that would shift density to projects within Bluemont.

The meeting adjourned at 7:42 pm
